Bus Stop News  
1949 – 2008

May 08

From the Desk of Evelyn King  
A.A.P.T. President

Hello Again,

Whoaaaaaa what a road-eo! It was awesome!!!!!! Congratulations go out to Spencer Wauneka and Peter Yazzie both from the Ganado Unified School District. WAY TO GO GUYS. As I understand both are going to the International Road-eo in Canada. Good Luck to both of you, come back winners. To those of you who participated thank you one and all, we would not have a road-eo if it weren't for you. Everyone did a great job and I hope to see you all back at the 2009 Road-eo. Well Gabe told me that we were within 5 to 10 minutes of being on time all day, and that is a first in a long time. How about the shirts, I think everyone really liked them, and they looked so good on you, we didn't have to look hard to find you so I think we should keep the shirts, just change the color every year. Let us know what you think.

I would like to send a bigggggg thank you to all the judges; I don't know what we would do without you. And as always the ladies from DPS for all of your time spent working so hard for our Association, you gals are great. I would like to thank the runners and anyone else who volunteered, we would be hard put to do the road-eo without everyone working together. Last but not least a big thank you to Chris Mills our Paramedic. We really put him to the test this year, Thank you Chris. You will see more on the road-eo in the newsletter. We will be looking forward to the Conference in October. It will be held in Marana, Arizona on October 11 & 12, 2008. Look for more changes for the conference, we are working to make this your association and bring you the changes you have asked for. As always you are appreciated and we think you all are great. Have a safe spring and enjoy. Till the next time keep a smile on your face and keep everyone you meet wondering what you are up to!!

As always
